to stop the vehicle and led the officer on a chase that went through the city of Grand Coulee. Mr. Burnam stopped the vehicle only after he was blocked into a restaurant parking lot. He was uncooperative with the officers and attempted to resist during the apprehension process. After being restrained, Mr. Burnam continually yelled obscenities and insults at the officers.

The arresting officer could smell the odor of intoxicants on Mr. Burnam whose speech was slurred and his eyes were bloodshot and watery. Due to Mr. Burnam's demeanor and hostility, the arresting officer did not offer Mr. Burnam the opportunity to execute field sobriety tests. Open alcohol containers were found in the vehicle driven by Mr. Burnam. Several attempts were made to obtain a breathalyzer reading from the offender, however, officers were only able to obtain one BAC reading of ".222," as Mr. Burnam refused to cooperate with officers. Due to Mr. Burnam's failure to cooperate, the officers applied for, and obtained, a search warrant to extract vials of blood from Mr. Burnam to determine his level of intoxication.

Mr. Burnam was transported by officers to the Coulee Medical Center where samples of blood were obtained. Throughout this process, Mr. Burnam was uncooperative and continued his barrage of obscenities and insults toward the officer. Mr. Burnam was told several times to be quiet by hospital staff as he was scaring other patients, and he refused to comply. Mr. Burnam discontinued his behaviors only when he was placed into custody at the Grant County Jail.

Formal charges have been filed on the above crimes by Grant County. A trial date has been set for February 23, 2010.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the defendant to answer the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
